The request for approval must be in writing on the Prior Approval Form indicating the purpose of the meeting or training session, who will be attending and how the light refreshments/food will be paid, i.e reimbursement, direct vendor payment or budget chargeback request. All on campus catering must adhere to campus catering policies. Food is to augment the program/event.

In cases of genuine emergency, the process may be expedited by contacting the appropriate budget manager for verbal authorization for purchase. This emergency procedure must be followed by the normal procedures outlined elsewhere in this section. In no case is purchasing to be initiated without prior approval from the appropriate budget manager. All students, faculty, and staff shall be personally liable for expenditure commitments made in violation of this procedure.

 - A. Private Vehicles: The use of private vehicles is strongly discouraged, due to overall risk associated with prior approval by CLS administrators if 522 funds are being used. The approved use of private automobiles is reimbursable at the approved college rate. Reimbursement will be made upon completion and submission of a Travel Expense Voucher.
 - B. Rental Vehicles: These organizations utilizing rental vehicles will be required to pay the full amount of the rental charge and all expenses incurred in the use of the vehicle.

If approved, no more than \$7500 may be used for out-of-state travel from 522 funds for any one trip regardless of the number of students traveling. There is no cap on fundraised dollars used for out-of-state travel.
